Tax Bills to be Sent out in June

MATTAPOISETT SELECTMEN'S MEETING
APRIL 23, 1991 - by VIRGINIA MORGAN

Selectmen were informed last Tuesday by the Board of Assessors that "hopefully tax bills will be issued in early June and will generate sufficient revenue, prior to the end of the fiscal year so as not to have a drastic effect on free cash." The copy of the letter from the assessors was in response to a letter sent to that board by Treasurer/Tax Collector Kathleen F. Briggs, in which she said, "to insure the financial stability of the town, it is essential that some form of tax bill (actual, estimated, quarterly, etc.) be mailed in a timely manner."

Mrs. Briggs said in her letter, "The late real estate tax bill will create a severe cash flow problem for the town and could potentially affect the free cash for the next fiscal year. When borrowing is too excessive, budgets run into deficits and transfers have to be made which reduces the town cash reserves even further. In order to mitigate these costs, it is imperative that tax bills be produced in a timely fashion. If this cannot be the case, I need to be informed at the earliest possible moment to plan borrowing."

Writing for the Board of Assessors, Chairman Harvey J. Blanchette said, "We regret the inconvenience such delay has caused you and the possible ill effect it may have on town finances. Our board was displeased with the results of the revaluation conducted by M.M.C., and of the past 7½ months attempting to resolve the matter. We were certain that the initial revaluation figures would have resulted in an overlay deficit

greater than the expense of borrowing and any potential fiscal 1991 budget deficit. On March 17, after consultation with the state Department of Revenue, the board accepted MMC's revaluation and submitted it to the DOR for review. On April 4, the project was preliminarily certified by the DOR.

"The Board of Assessors hopes the process will proceed as follows: April 29-May 3, public disclosure of new values; week of May 6-10, all necessary reports will be completed and filed with DOR; May 14, classification hearing with the Board of Selectmen; May 15-17, tax rates will be calculated and submitted to the DOR for acceptance; week of May 20-24, we will endeavor to obtain approval of the tax rates from DOR and week of May 27-31, we hope to have tax bills printed by name and submit them to you (tax collector). Although the time frames are optimistic, our board intends to do whatever possible to help facilitate the process."

The assessors' letter continues, "Between August 1990 and March 1991, our board unanimously rejected MMC's proposed values. It was our belief that the discrepancies were so widespread that it was incumbent on us not to accept them. We committed to the principle that the pursuit of fair and accurate values outweighed the potential delays and expense associated with issuing untimely tax bills. However, we did not anticipate MMC's stand and reluctance to redress what we believed were obvious inconsistencies. It

is unfortunate that such an inflexible posture was adapted by a conceivable unnecessary third party - resulting in both our departments being unable to accomplish our responsibilities in a timely manner."

When contacted later, Treasurer Briggs explained she has already borrowed $900,000 in April in anticipation of taxes being paid by May. "Now, hopefully, excise taxes and a few other payments will come in to hold off as long as possible, so I won't have to borrow again. An estimated tax bill was sent out in November 1990 at last year's tax rate of $10.30," Mrs. Briggs said.

In other business, Selectmen:

MET WITH Harbormaster/Wharf Commissioner Steven Mach to discuss parking privileges on the town wharves for the summer months. Selectman Daniel O. Mahoney said he and Mr. Mach "walked the wharves", noting there is a need for simplifying requirements.

It was determined there are 13 spaces for angle parking on Mello Short Wharf, 21 on Makuch Middle Wharf, 18 parallel spaces on Long Wharf, 10 angle parking spaces on Holmes Wharf, plus two handicapped spaces, and 22 spaces in front of the harbormaster's office. There are also spaces for eight vehicle/trailer parking next to the fence. This section is by sticker only, with no parking allowed on Wednesday, Thursday, or Saturday evenings when special activities are held.

Tentative regulations include sticker parking only on Short, Middle and Long Wharves. Holmes Wharf is both sticker and non-sticker. The handicapped spaces may be moved to more accessible spots.

Selectmen Chairman John DeCosta, Selectmen Paul E. Lambalot and Mahoney agreed to have Mr. Mach check with the highway surveyor on the cost of painting parking lines and to

measure the width needed for a handicapped space. Mr. Mahoney will prepare language for the wharf signs.

Mr. Mahoney commented, "We need to get the signs out by May 30", and informed new member Mr. Lambalot, "no matter what we do, there will be at least eight vocal complaints".

On another matter, the harbormaster felt the language in the wharf rules and the harbor rules should be the same pertaining to the definition of resident/taxpayer. One says resident only, the other says resident/taxpayer.

Selectmen will work on a uniform definition. It was suggested to keep the word resident and eliminate taxpayer, but keep a temporary resident category to cover those persons who own property in town but do not live here year-round.

MET WITH Building Inspector Andrew J. Bobola to obtain the board's opinion concerning the construction of a stonewall and footing by Richard Lansing of 2 Ocean View Avenue. Mr. Bobola noted that on April 11, 1991, Mr. and Mrs. Lansing signed a stop work order for a period of 10 days to allow the town the opportunity to research the actual line where this stonewall will go. The site plan shows the proposed work will

project eight feet onto Ocean View and Brant Beach Avenues.

Mr. Bobola suggested that in the best interest of the town perhaps some of the Lansing property should be taken by eminent domain with regards to the encroachment onto the black top area involved. The existing black top has been there for over 20 years, he said, and the lansing property was blacktopped.

He told selectmen the road is 25 foot wide and the town is encroaching on the Lansing property. Arthur Thompson has checked the property and it is properly surveyed; the land is not the town's property. Mr. Bobola said neighbors have been calling him all week to complain about the stonewall.

Highway Surveyor Wesley Bowman said the narrowing of the town road would not affect snow plowing, as "we have to back out now and cannot turn around". He recommended a radius of 10 feet to eliminate a sharp corner.

The board recommended the inspector speak to Mr. Lansing to see if he will agree to give up 10 feet. Mr. Lansing will be asked to do no construction until an amicable agreement has been reached.

REVIEWED THE REQUESTS Selectmen have made in the town meeting warrant for May 4. Executive Secretary Carol Adams explained the Finance Committee had asked for reductions in several accounts: professional services from $300. to zero, office supplies, $1,200 to $750; conferences and meetings, $2,300 to $1,500 (we can live with $2,000, as this board is more active in attending conferences to become better informed, Mrs. Adams noted); legal account, reduced from $50,000 to $45,000; and town building,

AGREED TO A TRANSFER from reserve funds for an engine replacement for the 1985 truck used by Shellfish Constable/Dog Officer Brian Nunes. The sum of $1,345 will be used to purchase a Chevrolet 350 rebuilt engine with a two-year warranty from Engine Connection of Hudson. Mr. Nunes noted the present engine has been over 120,000 miles.

Town Mechanic John Bowman expressed the opinion he would have preferred to purchase the engine closer to town because of the warranty coverage.

Community Picnic Day

JULY 4th

A reminder that there will be a meeting on Thursday, May 2nd, at 7:30 p.m. at the American Legion Hall, Depot Street, Mattapoisett for planning our Community Picnic on July 4th.

We need help in planning from residents and representatives from clubs, organizations, and businesses. Your ideas and assistance are vital to making the Fourth "Special". We will honor the Persian Gulf Veterans, as well as veterans of all wars, who have fought for our freedom and beliefs.

Mattapoisett Town Meeting

SATURDAY AT 9 A.M. - 38 ARTICLES

Mattapoisett voters: set your alarm clocks on Saturday, May 4th, to attend the 9 a.m. annual town meeting at Old Rochester Regional High School Auditorium. The 38 articles, with one override and nine debt exclusions on the warrant are important to the future of the town.

In an attempt to bring in more voters, the Board of Selectmen agreed to "give Saturday a try". There will be a box lunch and baby sitting service available.

If the override and debt exclusions are approved they will be on the ballot at a special election on June 4th.

The override question is for a portion of the town operating budget in the amount of $555,254.54. The amount of $7,177,865 is the general operating budget to be raised by taxation within Proposition 2½. The total general operating budget totals $8,641,963.07.

The Finance committee comments on the warrant: "The Finance Committee together with the Town Accountant has reviewed all budgets prepared by town departments, committees, school boards and Enterprise Funds for fiscal 1992. Because of the economic conditions and austerity we expected, the Finance Committee recommended that budgets be kept within the 2½ increase permitted. The committee has cut some budgets and permitted increases over fiscal 1991 budgets where special requirements warrant, where

Is quality or price more important in floor coverings today?

Over the past few years, we at the Carpet Mart, have found that our Customers main concern is Quality, not price. Consumers want Carpeting and vinyl Flooring that will last a long time in their homes. Price has become a secondary issue.

Here at the Carpet Mart, we realize that the Consumer, has become better educated and aware of the latest fashions and the newest stain-resistant fabrics available, that is why, we have chosen to feature Carpeting of Dupont Certified Stainmaster Nylon, in many styles, fashions and colors, all are from Major Mills and Distributors.

The sales personnell at the Carpet Mart, don't believe in High-Pressure tatics, our customers are made to feel at home, having the opportunity to browse, and take samples home, to make certain, the colors and texture is just the look they want to achieve. We offer free-estimates, ideas and truthful facts about our products and their quality.

We offer a wide variety of carpeting, vinyl flooring, area rugs, vinyl tile and hardwood floors. For your added convenience, we also carry, fine wall-coverings, window treatments and countertop laminates. All of our work is done with pride, by professionals and the owners themselves, oversee each job. We also guarantee, ALL of our work.

So, if your in the market for new floor coverings, now or in the future, stop in or call today, or tomorrow to SEE WHATS NEW!

"The state has not released the 'Cherry Sheet'; therefore, in setting the levy limit the committee has made a conservative estimate of local receipts."

The Mattapoisett School Committee has placed three articles, all requiring debt exclusions: $106,046 to repair Center School roof, tower and clock; work at both Center and Old Hammondtown Schools, $28,000; and the Old Hammondtown School heating system, $20,900.

The Water/Sewer Commissioners have placed eight articles, two requiring debt exclusions and six with funds to be taken from the Water Enterprise Fund. (The funds taken from the Enterprise Fund will have no effect on the tax rate but have to be approved by voters.)

The Enterprise Fund will be used to borrow monies with principal and interest paid from the fund for the following articles: water main replacement - 450 feet on Barlow Lane, $20,600; 640 feet Brookside Drive, $29,300; 500 feet on Parker Street, $24,000; 350 feet, portion of Pearl Street, $14,000; 790 feet of Snowfields Road, $36,200; and to replace the pump at #3 pumping station, $15,000.

son explained the water main replacements are needed on these roads as the pipes contain a trace of TCE (tetrachoralethaline), an adhesive used to attach a vinyl liner to the inside of the pipes. Previously, voters approved six other roads for pipe replacement. He noted the amounts of TCE are very low, but "we feel residents deserve to have the pipes changed".

Other debt exclusion articles include the Board of Selectmen's request for an office copier, $7,600 and a conference table, $5,000; Water/Sewer Commissioners, a drain cleaning machine, $29,500, and funds for a sewer engineering grant application for sewer main extensions to Ned's Point and Marion Road sections of town; Fire Department, replacement of an electric generator at the fire station, $5,500; the Recreation Committee, funds to repair the town tennis courts on Center School grounds, $21,060.

A debt exclusion provides additional levy capacity by excluding certain indebtedness from the calculation of the levy limit over the life of the borrowing, with the result the annual exclusion is added to the levy limit over the life of the borrowing but does not become part of the levy limit in future years. A temporary increase in levy capacity. The override question on the operational budget will make a permanent increase in the levy capacity.

The Board of Assessors is seeking the sum of $70,000 to be raised by taxation for the first year of a two-year revaluation of all personal and real property, with the total of $140,000. The sum of $70,000 will be sought next year to complete the state-

mandated revaluation.

The Finance Committee is recommending $12,000 be taken from the Stabilization Fund for a computer system for the assessors' office. The amount of $13,000 is being sought by appropriation for fiscal years 1991, 1992 and 1993 independent audit services. This will be the first of a three year total cost of $39,000.

Members of the Old Colony District School Committee will speak on the article asking voters to accept an amendment to the agreement with the towns of Mattapoisett, Acushnet, Carver and Rochester which will provide for the admission of the town of Lakeville as a member of the Old Colony School District. Under the terms of the amendment Acushnet will have 200 slots at the school, Carver, 150; Mattapoisett, 110; Rochester, 85; and Lakeville, 60. Capital costs will be apportioned.

Petitioners are seeking voter acceptance of four streets as town ways. Selectmen have accepted the layout and the highway surveyor has approved the condition of the roads: Fairview Drive and a portion of Crestfield Street, Jowick Street and Gary Drive.

The Finance Committee is recommending $40,000 be transferred from Free Cash to the Reserve Fund for emergencies.

Police Chief James F. Moran has placed an article asking voters to accept the provisions of Chapter 291 of the Acts of 1990, which would enable the town, through the Police Department, to become part of a statewide service consisting of telephone network features provided for users of the public telephone system. A 911 caller would be automatically routed to the appropriate geographic public safety office that in turn

On Article 3 where the fire chief and fire alarm superintendent are asking for $500. to be raised by taxation, the finance committee recommends the amount for an indemnity agreement for a work related disability in a sum equal to the average weekly wage earned.

Selectmen will seek an amendment at the town meeting to include part-time police officers. This group of workers was inadvertently omitted from the article and should be included, the board agreed.

Selectmen will also have a cost figure for article 32 asking voters to appropriate funds to defray engineering design costs for installing drainage in, and resurfacing, Tinkham Lane. This article may also be included as a debt exclusion request.

Town Moderator R. William Blasdale has placed an article to see if the town will vote to amend the general by-laws by deleting the words "and the annual town meeting shall be held on such day in May of each year as the selectmen shall determine", and substituting the words, "and the annual town meeting shall be held on the third Monday of May each year".

Mr. Blasdale was not in favor of the selectmen's decision to hold the annual town meeting on a Saturday, and is taking this way to ask the voters how they feel about a Saturday or evening town meeting.

Sixth Grade Osprey Project

On Saturday, April 13th, Jessica Preston, Chris Marcotte, Ben Halpren and our teacher, Miss McQuillan, went to Charles Duponte's house to build an osprey nesting pole. Mr. Duponte taught us how to use carpenters' tools.

First we found a pole that was big and sturdy enough. Then we measured the boards to see where the center was so we could nail on the pieces right in the center. Next we nailed on braces from the pole to the platform supports. Finally, we wrapped metal flashing around the pole to keep animals from being able to climb the pole to get at the baby ospreys or the eggs.

When we were all done, we put up the pole in the marsh at Pine Island Pond at Point Connett and we hope some ospreys will

nest there this summer.

Nikki Charbonneau and Linn Preissler went with our teacher the week before and got a permit from the Conservation Commission to erect poles in the marshes. The Mattapoisett Land Trust gave us permission to put the first pole on their land. We will put another pole at Strawberry Point on April 27th.

We want to thank our teacher, Miss McQuillan, for teaching our class about ospreys, and Mr. Duponte for taking the time to help us and let us use his tools and materials. Thank you also to the Conservation Commission and the Mattapoisett Land Trust for letting us do this project.

Mah Jong, O.H.S.

EAST MEETS WEST

Mah-Jong has for centuries been the favorite game of the Chinese. Tradition has it that its name is apropos of the sound made of the tiles clicking together during the game. Mah means flax or hemp plant and is said to refer to the sound of the plants' leaves clicking in the wind. Jong means, and supposedly recalls, the chattering of the bird.

In Mrs. Jordan's sixth grade reading group at Old Hammondtown School Mah Jong was mentioned in a story being read by the class. Mrs. McGraw, a SPED tutor who teams with Mrs. Jordan in the reading group, offered to introduce the game to the students. Mrs. McGraw's own Mah

Jong club members came to class for two days to assist in the introduction of the game. So many students voiced a desire to continue learning more about the game that Mrs. McGraw formed a Mah Jong club which meets each Wednesday at OHS.

The experience of watching a Mah Jong game for the first time is bewildering. The terms seem incomprehensible and innumerable. After 8 weeks of playing, the students have been exposed to the historical/cultural aspects of the East, as well as mastering some of the rules of Mah Jong.

A special "thanks" to Mrs. McGraw's Mah Jong Club members for helping to get us started.

HARPOON HARMONIZERS
"DON'T WAIT! SYNCOPATE!

School and Community for Old Rochester Regional (SCORR) and the New Bedford Harpoon Harmonizer Chorus are pleased to announce that they are co-sponsoring A Cabaret, Old Chum, an evening of humor, great old songs, and delicious foodfare for the entire family. The program will take place Saturday evening, May 11th, at the Old Rochester Regional Junior High School in Mattapoisett.

Ticket prices will include a complete chicken dinner with all the fixings and an opportunity to listen to the silky, smooth stylings of the Mariners, a brand new area quartet which recently won first place in the novice division of the Northeast competition and finished a scant 13 points behind the overall competition winners. Members of the Mariners are Steve Rogers of Fairhaven, Rory McFee of Mattapoisett, Mike Gagne of

Fairhaven, and Bill White of Lakeville. In addition, a hilarious comedy quartet from Dedham, called the Blue Hills Four, will really tickle your funny bone.

SCORR and the Barbershoppers are non-profit organizations who actively support needed programs for children. The SCORR group obviously expends its monies to support Old Rochester District programs, while the pet charity for the Harpoon Harmonizers, a chorus under the jurisdiction of the SPEBSQSA, the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, is the Logopedics Institute in Wichita, Kansas. Logopedics deals with the correction of speech defects in children, a very appropriate and worthwhile charity.

This will be the equivalent of the annual show appearance by the Harpoon Harmonizers group this year. It's an attempt to experiment with a different presentation format. We are extremely hopeful that barbershopper followers will join us on this occasion. Tickets, which are limited to 300, are available by contacting Mona Murphy of the SCORR group at 748-0774, Ken Bastien or Art Harwood of the Harpoon Harmonizer group at 992-1350 or 994-5896 or Anne O'Connell at the ORRJHS at 758-4929.

This evening of music and madcap mayhem will make your May a merry month, indeed. So act NOW!

S.C.O.R.R. Meeting

SCORR (School and Community at ORR) announces its monthly meeting on Tuesday, May 7th, at 7 p.m. at the ORR High School cafeteria. All community members are welcome.

On the agenda will be planning of the senior class after prom party, scheduled for May 30th.

Health Care Proxy Law

TRI-TOWN PROGRAM

On Thursday, May 2nd, the Rochester Council on Aging will host a special program on the Massachusetts Health Care Proxy Law, for all interested persons in the tri-town area. It will be held at the Rochester Town Hall Conference Room at 1:00 p.m.

Attorney Stephen Kiley will speak and answer questions about the new health law. This is one of 100 similar programs marking ELDER RIGHTS WEEK across Massachusetts, sponsored by the MA Executive Office of Elder Affairs and the MA Bar Association.

Last December Massachusetts enacted the Health Proxy Law, which establishes the right of every individual to appoint another person to make health care decisions in the event that the individual cannot make these decisions for himself or herself. The Health Care Proxy is considered by many people to be a superior alternative to the Living Will. One needn't be a senior citizen to appoint a health care proxy; every person 18 years old and over may designate such a proxy.

Don't miss this opportunity to learn about this new law. The program is free and open to the public. Sample Health Care Proxy forms will be distributed to all who attend.

Volunteer Recognition Day

The Mattapoisett Council on Aging held a recognition party last Wednesday at Village Court. Greeting a large turnout of the 100 volunteers in Mattapoisett was Council Chairman Evelyn S. Pursley, as she read each name on the list of volunteers.

Guest speaker was Emmett H. Schmarsow, program manager for Councils on Aging and Senior Centers for the state Executive Office of Elder Affairs. He commented he knew why Mattapoisett is special when he noted this town averages four times what others councils in the state record in volunteer hours. This averages $71,130 in volunteer service time. "We, at the state level, appreciate the efforts donated from Mattapoisett volunteers." He added that there are 342 Councils in the state with 22,130 volunteers.

Mr. Schmarsow said many times he has asked the question, why do you volunteer and receives many different answers. When he queried those present, the answers included, "keep busy", "help others", and "it's fulfilling". "People are the substance; funds are the glue that brings out the gifts you give of your time. It is important to enjoy what you are doing; if you don't

enjoy what you are doing, don't volunteer. Volunteerism is its own reward."

The program manager continued, "If you stopped 10 cars, you would be lucky if two people knew what Councils on Aging do. People don't know the good you are doing, but we know and, in turn, we tell the state legislators what you are doing. This is National Volunteer Week (April 21-27) and I am happy to be spending it with you in Mattapoisett to recognize your dedicated group."

Refreshments were served by members of the council.

In observance of National Volunteer Week, April 21-27, the Mattapoisett Council on Aging wishes to pay tribute to the many Volunteers who donate over 7500 hours annually to support our programs.

On Thursday, May 2nd, the Rochester COA will host a special program on the Mass. Health Care Proxy Law. It will be held at the Rochester Town Hall Conference Room at 1:00 p.m. Attorney Stephen Kiley will speak and answer questions about the new health law. All are invited.

Recycling Counts

Recycled aluminum saves 90% of the energy needed to produce the same products from aluminum (processed bauxite). Aluminum beverage and food cans are very easily recycled.

Uses: More aluminum cans! The demand and supply is strong and is expected to remain so.

Rochester Kindergarten

During the week of May 6th the Rochester Memorial School will be registering those children for kindergarten who reside in Rochester and were born during 1986. The registration hours will be between 9 and 11 a.m. in the school office. Parents will be able to register their child on the following days:

Last name begins with	Date of screening
A - E	May 6th
F - J	May 7th
K - O	May 8th
P - T	May 9th
U - Z	May 10th

The parents will need to bring a birth certificate, verification of home address, record of immunization and a physician's certificate showing the date and results of a lead-screening. In addition, a physical examination is required within six months prior to the entrance date.

Parents should bring their child to the registration as vision and hearing screenings will be conducted at that time.

Hospice Memorial Service

The annual Memorial Service of Lighthouse Hospice will be held Sunday, May 5th, at the First Congregational Church of Rochester. The service has been held each year since 1987 in memory of Hospice patients who have died in the past two years, and to honor their families and friends.

The observance is described by Hospice bereavement coordinator Jill Cockrell of Marion as "a service of Thanksgiving for lives which are still a part of us today". The 3 p.m. ecumenical service is open to the public, and no reservations are needed. Participants will include area clergy and representatives of Hospice staff, board of directors and volunteers. Refreshments and an informal reception will follow.

Lighthouse Hospice furnishes care to terminally ill persons and their families in Buzzards Bay, Carver, Lakeville, Marion, Mattapoisett, Middleboro, Onset, Rochester, Sagamore and Wareham.

From Bishop Stang H.S.

Stang senior Adam Braillard of Mattapoisett has been awarded Honorable Mention in the Asthma and Allergy Foundation Scholarship Competition sponsored by the Asthma and Allergy Foundation of America/New England Chapter. The award was established to recognize a graduating senior who has achieved his or her personal best in spite of significant asthma or allergies, demonstrating that asthma and allergies do not have to limit the scope of a person's activities.

Adam, son of Mr. and Mrs. Walter Braillard II, was one of 24 finalists from over 200 New England applicants whose essays conveyed a rich and varied testimony to the medical, social, athletic and academic challenges and obstacles he confronted.

Veterans' Up-Date

This is the completion of the "PERSIAN GULF WAR VETERANS BENEFITS ACT OF 1991", as stated in last week's press release.

Health Care: Provides for medical care to Guard and Reserve members called to active duty for two months following release from active duty.

Provides for medical care to dependents of Guard and Reserve members called to active duty for two months following Guard and Reserve member's release from active duty. Medical care provided would be identical to care provided active duty dependents under Civilian Health and Medical Plan of the Uniformed Services (CHAMPUS).

Expands VA authority to contract with community facilities for hospital care of veterans. The VA could contract to hospital care in the community for veterans displaced from VA medical centers as a result of the VA providing treatment for Operation Desert Storm casualties.

Authorizes the VA to provide prescription drugs ordered by private physicians for severely disabled veterans who receive benefits based on "housebound" status or the need for aid and attendance (wartime service requirement).

Establishes a presumption for purposes of health care eligibility that a psychosis becoming manifest two years after discharge will be presumed service-connected (wartime service requirement).

Reduces from 180 to 90 days the minimum period of active duty required for eligibility for one-time treatment of dental conditions after discharge from service.

Counseling: Calls of the Department of Defense, in conjunction with the VA, to provide comprehensive preseparation counseling for Guard and Reserve members called to active duty, upon their release from active duty. Information concerning veteran status, active duty benefits and other benefits

should be provided to these Guard and Reserve members.

Authorizes the VA to furnish readjustment counseling in any VA facility to veterans who served on active duty in a theatre of combat operation after August 2, 1991. Currently there are 195 Vet Centers which provide readjustment counseling to veterans of the Vietnam era. The administration has proposed similar legislation.

Commissary and Exchange Benefits: Provides, for a period of six months following release from active duty, commissary and exchange privileges for Guard and Reserve members called to active duty.

Withdrawals from IRA Accounts Without Penalty: Allows Guard and Reserve members called to active duty and their spouses to make withdrawals from accumulated IRA accounts or other pension funds or retirement accounts without penalty for early withdrawal.

Capital Gains: Extends for Guard and Reserve members called to active duty the period allowed for reinvestment of a capital gain from the sale of a home.

Women's Softball League

The Wareham Recreation Department's Women's Softball League is looking for new members for the start of spring season games.

The league is open to any woman who has an interest in playing. Ability level is not a factor; the league is geared towards informal fun games.

Four teams make up the league. Practices are held on Tuesday evenings, 6:00 to dark at Lopes Field. Games are scheduled on Thursday evenings, 6:00 to dark, also at Lopes Field.

Equipment, consisting of aluminum bats, helmets, body protectors and some gloves are provided. Bring your own glove. Team T-shirts will be distributed at the Tuesday, April 30th, practice. Game schedules will also be available. Games will be played through the month of August.

NOTICE TO ALL RESIDENTS OF MATTAPOISETT

In accordance with the new Massachusetts Department of Environmental Management Solid Waste Regulations, as of this Fall any leaves, pine needles, grass elippings or organic waste that can be composted will not be picked up by the Rubbish Contractor and taken to SEMASS. The Mattapoisett Landfill has a compost area and there is no charge for compostable materials. Let's get in the habit of taking these materials to the Landfill before the regulation has to be enforced. Also remember we cannot compost sticks, limbs, tree branches or any other solid material such as these. These things can be put in the landfill and must be separated from the compost. Thank you for your cooperation.

students were awarded medals in 7 of the 16 events in which they competed. The medals included two golds (first place), five silver (second place), and one bronze (third place).

The Old Colony medal winners were: Gold: Jason Casmira, Extemporaneous Speech; Amy Simard, Health Careers; Silver: John McKinney, Electronics; Jesse Blake, Carpentry; Nancy Roy, Extemporaneous Speech; Michelle St. Amand, Cosmetology; Denise Fisher, Cosmetology; Bronze: James LaFratta, Automotive.

Old Colony gold medal winners will represent Massachusetts at the National VICA Skill Olympics this June in Kentucky. This marks the fifth consecutive year Old Colony students have competed at the nationals and the second time Jason Casmira will compete in the nationals.

OPENINGS AT OLD COLONY

A number of 10th and 11th grade openings in selected shop programs are available for September at Old Colony Regional Vocational-Technical High School. Old Colony accepts students who reside in the towns of Acushnet, Carver, Mattapoisett and Rochester. In addition some students are accepted from Freetown and Lakeville.

Tenth grade openings exist in Health Careers, Cosmetology, Carpentry, Drafting, Electronics, Data Processing, Machine and Tool Technology, and Welding. In addition, openings are available to eleventh graders in the Health Careers Program.

WHODUNIT?

"Lizzie Borden took an axe,
And gave her mother forty whacks.
When she saw what she had done
She gave her father forty-one."

Just a New England nursery rhyme or a true story? That's the burning question Old Colony Regional Vocational-Technical High School students wanted to answer.

Seventeen of Mrs. Canastra's senior students enrolled in an English elective course entitled "WhoDunit" visited the Fall River Historical Museum in early March in search of answers to this famous 1892 mystery concerning the murders of affluent Andrew J. Borden and his wife Abbey.

Mrs. Florence Brigham, former museum curator, used her wealth of knowledge about her town to help the students understand the background of Fall River in the late 1800s -- mills, line steamers, lifestyles, family relations, and the position of women, as well as information about Lizzie Borden.

"It (the Lizzie Borden case) was a closed subject when I was growing up", said Mrs. Brigham. "The Borden family did so much for Fall River."

Mrs. Brigham's mother-in-law actually was very friendly with Emma Borden, Lizzie's older sister, and was a character witness for Lizzie at her trial.

"Always behaved herself as far as she knew", said Mrs. Brigham quoting her mother-in-law's view of Lizzie.

Mrs. Brigham enlightened the students with information about the background of Lizzie which the students could not get from reading the actual trial material -- how old maids were abundant in those times because many were killed in the war, how

one could only socialize in their own circles, and how Lizzie was a cleptomaniac. She explained how clerks were told to never say anything when they witnessed Lizzie stealing something in two particular stores Mrs. Brigham knew about. She said the boss just wrote out a bill for what was taken and was always reimbursed by Mr. Borden afterward.

Mrs. Brigham was quite young at the time of the trial, but she remembers the exact moment her father came home with news of the verdict. "Well, they acquitted her", her father yelled out after opening the door, and just his tone of voice convinced Mrs. Brigham who was upstairs at the time that he felt she was guilty.

The students visited the grave sites of the Borden family, their home on Second Street where the murders took place, and the home where Lizzie and Emma moved to after the trial in the Highlands, an affluent section of Fall River at that time.

The English field trip also integrated well with some of the shops offered at Old Colony. Carpentry students were intrigued with the large rounded doors of the museum made from the Black Walnut tree, the round rooms, and the intricate designs of the ceilings used in this period, while Cosmetology students found that false hair pieces are not just a current trend but date back to 1800s as well.

ELECTED INTO NAT'L HONOR SOCIETY

Fifteen students from Old Colony Regional Vocational-Technical High School were recently elected into that school's chapter of the National Honor Society.

After meeting academic requirements, the group was selected based on qualities of character and service to both the school

and community.

Selected for membership from the Class of 1991 was Carrie-Ann Tomkiewicz from Acushnet. Students from the Class of 1992 include Sherry Bowman and David Tomasia, Jr. from Mattapoisett, Jessica Cecil from Rochester, Dennis Donovan and Michelle St. Amand from East Freetown, Kristen Lee from Lakeville, and Adam West from Carver, Liza DiGrazia, Jamis Gamache, Gregory L'Abbe, Douglas Lemieux and Michelle Trudeau of Acushnet.

Derek Ferro, Class of 1993, an Acushnet resident, was the first sophomore admitted under a by-law change recently enacted.

The students will be inducted at a formal dinner ceremony scheduled for May 7th.

COSMETOLOGY DEPARTMENT CELEBRATES MOTHER'S DAY

In its annual observance of Mother's Day, the Cosmetology students at Old Colony Regional Vocational-Technical High School will celebrate Mother's Day '91.

Mothers of each student in the department have received formal invitations to the observance. A coffee hour will be held at 9:00 a.m. followed by "Mother's Choice". Mom will receive a hairstyling, manicure and facial performed by her daughter. The activity will conclude with a luncheon at noon prepared by the Cosmetology students in cooperation with the Culinary Arts Department.

This marks the fifth consecutive year

SPRING OPEN HOUSE AND PLANT SALE

Celebrate Spring at the Open House and Plant Sale at Mass. Audubon's Ashumet Holly Reservation on Saturday, May 11th, from 10 a.m. to 3 p.m. The Plant Sale will include herbs, annuals, perennials and holly trees. Join Sanctuary Director Elwood Mills for a guided walk of the trails at 10 a.m. Connie Sutherland, noted herbalist, will give a lecture on herbs at 12 noon and discuss the planning of an herb garden and the use of herbs. Admission is free and refreshments will be available.

The Potting Shed Herbary, the gift shop at Ashumet, will be open with gifts for Mother's Day. The shop specializes in handmade items such as herbal wreaths, spring home decorations and dried herbs as well as the Ashumet Pairpoint Cup Plate Collection.

The annual Open House is a good day for a walk through the trails which include plantings of dogwood, magnolia, azalea,

Letter to the Editor

I wonder if the citizens of Plymouth County have thought about the impact of a Middleboro International Airport on their towns.

The proposed site would actually take about nine square miles in East Middleboro, bounded by the Taunton River and Route 44, including Thompson, Summer, Plain, Precinct, and part of Plymouth Streets. This area has a dairy farm, several horse farms, cranberry bogs, a plant nursery and all the related open land. It also has about 200 homes.

The land around the airport would soon be built up with associated businesses. The noise and air pollution would make life nearby uncomfortable.

The projection is that such an airport would eventually employ 40-50,000 people. Middleboro's present population is under 19,000. Our rural towns would become cities and the Eastern Seaboard - Boston to Washington - would be a long metropolitan stretch.

Citizens Rejecting Airport Site Here (CRASH) is a group of concerned people who meet every Wednesday evening at 7:30 at the Nemasket Grange Hall, across from the Junior High on North Main Street, Route 105, Middleboro. We would welcome your attendance and your support against this proposed airport site.

There IS An Alternative To "Temporary Help":
Our Secretarial Service!

Why do you need an alternative? Because in today's sophisticated office, the solution to your work overload problems is often temporary equipment as much as temporary people.
As a professional Secretarial Service, we provide both the equipment and the trained staff to operate it. This allows your office to continue working at full capacity, while our office handles your overload word processing, transcription, or other special projects.
And we're always here and ready when you need us, for big jobs or small. We meet your deadlines and we guarantee our work.

Manomet Bird Observatory

CALL FOR BLUEBIRD SIGHTINGS

Bluebirds are returning to Massachusetts after a thirty-year absence. No one knows how many breeding pairs currently nest in the state, but there are encouraging signs that this attractive insect-eating songbird, described by Henry David Thoreau as "carrying the sky on its back and the earth on its breast" is becoming re-established in the area. The clearing of dead trees and loss of fence posts along with competition from other species are among the contributing factors of the bluebird's estimated 90% population decline in the past five decades. In recent years, the construction of "bluebird trails", consisting of a number of nesting boxes spaced at least 100 yards apart, have helped attract the birds, offering renewed hope for this threatened species.

To help promote the growth and protection of bluebird populations in southeastern Massachusetts and the region, Manomet Bird Observatory is conducting a research and monitoring program on public lands in Plymouth. To facilitate the gathering of information, researchers are placing color bands on bluebirds fledged from nests within the study area. To date, over 60 young bluebirds have been color marked. Manomet Bird Observatory welcomes reports of sightings of banded bluebirds and other active bluebird nesting sites in Plymouth

Environmental Threats

LLOYD CENTER
ANNUAL MEETING

The Lloyd Center for Environmental Studies' annual meeting will be held on Thursday, May 2nd, at 7 p.m. at Southeastern Massachusetts University. Guest speaker Betty Anderson, founding director of Manomet Bird Observatory, will address local environmental concerns in her lecture, entitled "Are Mosquitoes the Worst of Our Problems?"

Touching on the eastern equine encephalitis issue, Mrs. Anderson will put an entire spectrum of environmental threats that face us in the 1990s and into the twenty-first century into perspective.

There is no charge for the lectures, and refreshments will be served. Those interested should contact the Lloyd Center for Environmental Studies at 990-0505 or stop by 430 Potomska Road in South Dartmouth for more information and registration.

Volunteering at Lloyd Center

Are you interested in giving something back to the community? Then come to the Lloyd Center for Environmental Studies on our Volunteer Opportunities Day, Saturday, May 4th, from 10:30 a.m. to 3:30 p.m.

Volunteering at the Lloyd Center is a great opportunity to learn first-hand what and how efforts are being conducted to learn, know and teach about our local environment and the threats facing it. It is

also a great opportunity to gain experience or to simply feel good about doing your part in helping the environment.

Volunteers are needed to: maintain trails, greet weekend visitors, manage the resource library, maintain aquaria, teach programs, enter research data on computer, maintain greenhouse, assist in the office and much more.

Those interested should contact the Lloyd Center at 990-0505 or stop by 430 Potomska Road in South Dartmouth.

Bird-a-thon

LLOYD CENTER

This May birders throughout the area will be scouting the region looking and listening for as many bird species as possible in a 24 hour period. You can become a part of this frantic search for that 100th (or more!) bird species. On May 19th (rain date June 2), from midnight to midnight, the Lloyd Center for Environmental Studies will hold its 5th Annual Bird-A-Thon, a fun springtime fund-raising event. The funds raised through the Bird-A-Thon are used to support research work at the Lloyd Center, including endangered species research.

Birders can spend all or part of the day searching the country, identifying and checking off as many bird species as possible. Birding can be done by individuals or by teams.

Everyone is welcome to join us in this event. As a birder, you can bird as an individual, form your own team or call the Lloyd Center and we will add you to a team. The event will be a good way to learn many of the "hot spots" for birding in southeastern New England and an excellent way to increase your birding skills. Birders are asked to find sponsors who are willing to pledge a suggested minimum of 10 cents

or more per species identified, and can bird as long as they like on May 20th.

As an added incentive to all you birders who are thinking about participating in the Bird-A-Thon we will be awarding prizes at a celebratory party. Prizes include: dinner for four at the Bayside Restaurant in Westport, a pair of binoculars from the Bird Watchers' General Store in Orleans, MA, and a bird feeder from Wild Birds Unlimited in Seekonk, MA. All participants in the Bird-A-Thon are eligible for the prizes, except for staff members of the Lloyd Center.

Anyone interested in this fund-raising event can support our research work as a sponsor, a birder or both. For more information on this exciting event please contact the Lloyd Center at 990-0505.

BENEFITS

Double wedge widebody construction achieves the ultimate in power and control via the wide/stiff wedges in the crown and shaft and the thin middle zone.

This revolutionary system of weight distribution drastically reduces harmful shock and vibration while enhancing comfort and control.

This highly advanced aramid fiber is placed in the shoulders of the frame and absorbs vibration before it reaches the hand.

Two layers of foam with different densities are used to stop harmful vibration prior to reaching the hand.

This soft, cushioned grip absorbs vibration and wicks perspiration away from the hand.

The sleek, thin shape of HEAD frames make them easily maneuverable while reducing player fatigue.
